### PRESENTED BY ZAMORA CFO

Entrepreneurial companies with limited staff and financial infrastructure can save resources by outsourcing some, or all, day-to-day accounting and back office functions to Zamora CFO. We provide services across a range of financial processes and technologies with each member of our staff being QB ProAdvisor Certified.

### ABOUT ZAMORA CFO

Since inception, ZCFO has focused on building a value-based relationship with its Clients and now we have expanded that offering to include not only CFO services but client accounting too.

### ABOUT ME

#### RICK ZAMORA

He has led ZCFO since 2002 with the ability to assist clients in identifying profit opportunities in their business and developing financial process and financial reporting tools. He realizes that while many Clients start businesses because of a passion that they soon realize the need for expert financial and operational guidance.
